

Basic Tree Survey

Join the Rights of Way & Countryside Team's Tree & Woodland Officers as they introduce the skills needed to carry out a basic tree inspection to determine the condition and identification of structural defects to help recognise hazardous trees. This morning session will also cover tree legislation relating to tree owners responsibilities; statute and common law, occupier's liability.

- ✓ Please wear appropriate clothing and footwear (part of the morning will be spent indoors)
- ✓ Booking essential

When: Tuesday 5 April
Where: Bourne Hill, Salisbury
Time: 10am – 1pm
Cost: Free to Tree Wardens/Conservation Volunteers
